False Alarm*	35	15.2%	128	11.0%

*Note: Includes accidental activation, burnt food, good intent, system malfunction, malicious, etc.

Other May notes: Personnel continued to be busy with a variety of activities, such as training and preparations for the upcoming wildfire season – predictions are for a “normal” (i.e., fairly busy) fire season this year due to the continuing buildup of annual grasses and brush fuels. All personnel also went through CPR recert., with our non-paramedics also receiving EMT and AED recert. training as well. Outside activities included conducting blood pressure checks at a Loma Linda Chamber of Commerce meeting (May 3), assisting with fire extinguisher and patient evacuation training for LLU/LLUMC employees (May 4 & 15), participation in the annual LLUCH Children's Day (May 17), providing fire-safety training during a charitable walk event at Leonard Bailey Park (May 7), and an apparatus and informational display during the annual Loma Linda Chamber of Commerce Business Expo (May 18).
